CONVERGENCE
NEW MUSIC ENSEMBLE

creating music for tomorrow

Dear concert visitors

The third cycle of the **Convergence New Music Ensemble** presents not less than four world premieres, composed for this occasion by very young composers: These commissions were enabled by the kind support of the *Ernst von Siemens Music Foundation*. Two of the composers – Santa Buş and Ivan Pakhota – took part in a Composition Workshop of the *Convergence Music Center* in Tbilisi 2011, Darija Andovska is a prize winner of the 2nd, and Emre Sihan Kaleli won the 5th *pre-art Competition for young composers*. Consequently, they all are in a way associate composers to pre-art/Convergence!

We proudly can announce the first concerts of the **Convergence New Music Ensemble** in foreign countries: with this program we have been invited by Ankara Bilkent University. Also in April 2013 we will play some concerts abroad: Odessa (*2days/2nights of contemporary music-festival* invited us for three concerts), Boswil (Switzerland, invited us as Ensemble in Residence), Zurich, Basel, Lausanne, and – of course! – again Tbilisi and Yerevan.

We wish you an inspiring and beautiful evening with many pieces of really **NEW AND NEVER HEARD MUSIC!**

Matthias Arter
